Dear Kitty:

A few lines to let you know I'm ok. and I trust you are, the same. Thank you very much for that very lovely Easter card that I received a few days ago. It was very very nice. I haven't received any mail from you and I'm hoping to get one soon. I haven't heard from Ed in some time either but I hope to soon, as I'm very anxious to know if he has any chance of getting a transfer.

No doubt Bud is back in the U. S. A. by now. Did he get a leave? I hope he did get

at least a few days before
shoving off for good.

Tell Mary that I'll write
once in a while. I'll answer
every chance I get.

Everything is going well
with me. This ship is O.K. and
I am perfectly satisfied with
it. There are many things for
our comfort including a library
with a lot of good books.

Write soon and give me the
news. Take care of yourself
and a very very Happy Easter.
Love and lots of luck,
Don
